EMPYREAN

WELCOME TO EMPYREAN

UNRIVALLED HEALTH & LIFE MANAGEMENT

Welcome to our exclusive, invitation only membership, providing you with a revolutionary approach to fully integrated health and life management with a seamless proactive and responsive service.

LIFE IS GOOD BUT HEALTH IS NOT A GIVEN

AIMING TO LIVE A LONGER AND MORE FRUITFUL LIFE?

We can't guarantee a longer life, but can certainly promise to help you to stay ahead of the game in this fast paced world.

Your specialist team is here to support you and your loved ones, around the clock, across the world. Our carefully chosen services provide you with access to the highest level of clinical care, the very best in lifestyle management as well as safety and security advice 24/7/365.

Whether you have a known health issue, are training for an event, or simply want to take control of your future health, EMPYREAN empowers you by giving you access to our global network of specialist consultants, clinics and hospitals as well as world leading health evaluation and optimisation centres. All are backed up by our leading global medical insurance plan.

Finding that last seat on a flight, the suite in your favourite hotel, that special present, or tickets to the latest film premiere, our team are only a phone call away.

As a global jet setter, travelling is second nature to you, but knowing your loved ones are in safe hands, no matter where in the world you happen to be, is paramount.

EMPYREAN can provide you with the latest intelligence on your selected destination, tracking devices for you and your children or personal escorts.

HEALTH MANAGED - LIFE OPTIMISED

EMPYREAN's Health Optimisation provision ensures you can do just that! Unparalleled services, exclusively designed for the EMPYREAN member.

The unique private client health management service from a World leader in Health Optimisation will challenge the way you perceive and manage your health. EMPYREAN members are usually leaders in business and live life to the fullest, having very high expectations of themselves and others. Used to being in control of their businesses, of their family wealth creation and of their lifestyle, the most important piece is often missing. EMPYREAN aims to put clients in control of their health too, often for the very first time.

We offer a range of private client health management services, adopting a unique approach and combining utter personalisation, the most advanced medical science, deep root cause analysis and on-going health advocacy.

All underpinned by global experts in health management and health prevention.

SERVICES FOR EMPYREAN MEMBERS INCLUDE:

A World Leading Health Evaluation & Health Optimisation Programme

A world leading programme to help address any health concerns, protect your future health, maintain your energy and performance levels, or allow you to embrace the latest medical thinking to manage the ageing process. It starts with a quite remarkable health assessment, delivered by a handpicked multi-disciplinary team of top clinicians and includes investigations far beyond that which is normally available elsewhere.

The unique insights help establish your particular priorities. Your personal health management team are then with you over the next twelve months and far beyond to help you achieve your goals and support you if any health issues arise.

International Health Support

Enabling you to access the very best clinical support possible if health problems arise or if you would like an alternative option for an existing problem. We will carefully understand your specific issue, identify the most appropriate leading clinical specialist or facility for your particular need, and arrange access either locally to where you live or internationally.

Throughout, we will ensure that all clinicians involved in your care are carefully communicated with ensuring a fully joined up approach.
