MyWay

雋享保障計劃

Cappuccino... Latte... Mocha... When enjoying coffee, we all have our preferred taste. At Manulife, we believe that long-term financial planning should be conducted in the same way. That is why MyWay offers you a choice of four levels of regular guaranteed income to match your unique needs and bring more colour to your life at any time. It is all about having it just the way you like it.

Protection that's there for you at every stage of life

How can it be possible for you and your loved ones to live free from worry if you do not have any lifetime protection? Safeguarding you all the way to 100 years old, MyWay ensures you will enjoy every single moment of your life.

Planning is so much simpler with guaranteed annual income

MyWay not only takes care of your life insurance needs, it also provides Guaranteed Cash Payment every year starting from your second policy anniversary and lasting up to age 100. There is really no easier way to look after minor or major outgoings such as family celebrations or annual medical checks during life's long journey. Equivalent to 1%, 2%, 3% or 4% of the Face Amount of your policy, the Guaranteed Cash Payments can be selected with your personal preferences.

Pick your own mix

Your selected Guaranteed Cash Payment option will determine the initial amount of death benefit.

- Total Guaranteed Cash Payments received
- Initial Death Benefit

The above graphic aims to illustrate the relation between initial death benefit and Guaranteed Cash Payment according to your selection. Death Benefit will be reduced by amount of Guaranteed Cash Payment received. Please consult your insurance advisor and refer to the policy contract for detail terms and conditions.

In addition, MyWay also pays you non-guaranteed annual dividends. To allow easier wealth management, you can withdraw your dividends or leave the dividends on deposit for interest accumulation*.

Guaranteed premiums that further simplify budgeting

To best fit your financial needs, MyWay premium is guaranteed and remains unchanged throughout the whole premium payment period of 15 years. This feature will enable you to control life's surprises more effectively.

Extra peace of mind that costs less than you think

MyWay lets you select from a wide range of supplementary benefits that best suits your unique circumstances so that you can sit back and enjoy your coffee however you like it.

MyWay - Begin tomorrow's satisfaction today!

* Interest rate on the accumulated dividends shall be determined and may be changed by the Company from time to time.
