1 Introduction

Your **plan documents** detail what **we** do and don't cover under your **plan**, as well as giving **you** important information about the terms and conditions of your **plan**. Please read this information carefully to make sure **you're** completely satisfied with the cover **we're** providing. If **you** have any questions, please contact **us** and **we'll** be more than happy to help.

We don't guarantee that your **plan** meets personal tax requirements and/or the visa and/or social health care requirements of the country **you're** residing in. It's your **plan sponsor's** responsibility to ensure that any **plan** it chooses meets your needs.

If your **area of cover** is Area 1, **you're** a citizen of the United States (US) and **you** spend more than 183 days in aggregate in the US in any one **plan year**, (i) **we** may cancel your cover, and (ii) **you** may be required to buy an ACA compliant **plan** or face US tax penalties.

If coverage provided by your **plan** violates or will violate any United States (US), United Nations (UN), European Union (EU) or other applicable economic trade sanctions, the coverage is immediately considered invalid. For example, Aetna companies cannot make payments or reimburse for health care or other claims or services if it violates a financial sanction regulation. This includes sanctions related to a blocked person or entity, or a country under sanction by the US, unless permitted under a valid written Office of Foreign Asset Control (OFAC) license. For more information on OFAC, visit www.treasury.gov/resourcecenter/sanctions/Pages/default.aspx.

Cover is subject to legal or regulatory requirements, depending on your nationality and **country of residence**.

2 Eligibility

Main member

To be eligible for the **plan sponsor** to add **you** as a **main member** to this **plan**, **you** must:

- be an **employee** of the **plan sponsor**, or if **we** agree, an **employee** of a company that is part of the same corporate group as the **plan sponsor**;
- be a certain level of seniority or be in a certain location that the **plan sponsor** has chosen and that **we** have agreed, if the **plan sponsor** does not want to include all **employees** on its **plan**,
- be aged 18-64 inclusive at your **date of joining**. If **you're** aged over 64 at your **date of joining** **you** may also be eligible; **we** will need to ask **you** some medical questions in order to decide if **we** can include **you** and on what terms; and
- not be a citizen of the US who resides in the US.

Your **plan sponsor** may add a **main member** to this **plan** within 30 days of the proposed **main member** meeting the above criteria. At any other time, **we** will need to ask the proposed **main member** questions in order to decide if **we** can include them and on what terms.

Dependants

If a **main member** wishes to include a **dependant** on their **plan**, they must be the **main member's**:

- Spouse or **partner**;
- Unmarried child, stepchild or legally adopted child under the age of 18; or
- Unmarried child, stepchild or legally adopted child aged 18 to 26 who is in continuous full-time education. **We** may need written proof from the educational facility where they are enrolled.

Your **plan sponsor** may add a **dependant** to your **plan** at any time. However, **we** may need to ask them some questions in order to decide if **we** can include them and on what terms if:

- **you** want to add them more than 30 days after the relevant **main member's start date**;
- for a child, **you** want to add them more than 30 days after their birth or legal adoption; or
- for a spouse or **partner**, they are aged over 64 at their proposed **date of joining**.

We'll apply the same **benefits** to **main members** and their **dependants** on your **plan**, subject to legal or regulatory requirements.

Add-on plans

Our **add-on plans** have additional eligibility criteria – **you'll** find more details in the applicable **Benefits Schedule**.

3 Joining the plan

Your **plan sponsor** must contact **us** to add a **main member** to this **plan**. **We** won't be able to add the proposed **main member** until **we** receive all relevant information about them from the **plan sponsor**.

Your **plan sponsor** will tell the **main member** their future **start date**, which will also be shown on the **main member's Certificate of Insurance**. **We're** unable to backdate any cover.

We'll send the **main member** Member ID cards for each **member**. Note that **we** may charge **you** or the **plan sponsor** an administration fee to replace any **plan documents** or Member ID card. **You** can access your Certificate of Insurance and other **plan documents** through your **Health Hub**.

4 Provider access

We have two provider access options; Open Access and Hong Kong Elite.

The plan sponsor has selected a provider access option for your Aetna Summit plan. This option will apply throughout the plan year.

Your chosen option is shown on your Certificate of Insurance and Member ID card.

For more information on provider access, please see below or contact us if you have any further questions.

Open access

Gives you access to any medical provider of your choice within your area of cover.

Hong Kong Elite

• Within Hong Kong

Outpatient network

Gives you access to medical professionals under Quality Healthcare Medical Services (QHMS) and Dr Vio & Partners². If you're referred by a panel medical professional to a specialty that is not available within the panels, direct billing will be arranged by the panel.

This provider access condition applies to all treatment related benefits except for dental treatment, complementary and Traditional Chinese medicine, optical care and wellness.

Inpatient network

Gives you access to all hospitals where medical treatments are provided by a medical professional under QHMS and Dr Vio & Partners. The panels will facilitate the issuance of Guarantee of payment to the hospital on behalf of Aetna for all inpatient or daycare treatment under the care of the panel medical professional.

All outpatient and inpatient treatment under QHMS and Dr Vio & Partners Panel must be received on a direct billing basis. We won't be able to consider any claims that you pay directly to the medical providers within the Hong Kong Elite access option.

If you receive treatment from any government hospitals managed by Hong Kong Hospital Authority, this provider access condition will not apply. However, you'll need to pay for treatment first and then seek reimbursement from us. Your claim will be assessed under the terms and conditions of your plan when we receive it.

If your medical condition is an emergency and you receive treatment at the Accident and Emergency department of a hospital you can access any medical provider of your choice.

• Outside Hong Kong

Gives you access to any medical provider of your choice within your area of cover.

When receiving treatment within any Provider Access option, you or your personal representative must still request preauthorisation in line with the details given in your Benefits Schedule and in the 'Claims' section of this Handbook.

5 Plan benefits and currencies

The plan sponsor has chosen your plan level and benefits, including any add-on plans, details of which you can find in this Handbook, the relevant Benefits Schedule(s) and your Certificate of Insurance. Your Certificate of Insurance will also show any special terms applicable to you.

If your Benefits Schedule(s) shows more than one currency, the benefit limits shown in the same currency as your plan (set out in your Certificate of Insurance) will apply.

6 Pre-existing medical conditions

Moratorium

If your Certificate of Insurance shows that your underwriting terms are moratorium or CTT previously MORI, this means your claim will not be paid if it's relating to a pre-existing medical condition should one or more of the following have applied within the 24-month period before your date of joining (or the date shown in the special terms section of your Certificate of Insurance):

- it could be reasonably foreseen that the medical condition would occur after your start date,
- the condition clearly showed itself,
- you had signs or symptoms of the condition,
- you asked for advice about the condition,
- you received treatment for the condition, or
- to the best of your knowledge, you were aware you had the condition.

Once you've completed a continuous 24-month period after your date of joining we may cover your pre-existing medical condition provided you've not had symptoms, needed or received treatment, medication, a special diet or advice, or had any other indications of the condition.

Full Medical Underwriting

If your Certificate of Insurance shows that your underwriting terms are Full Medical Underwriting or CTT previously FMU, we will not pay a claim relating to a medical condition or symptom that you were aware of before your date of joining unless you told us about it during the application for your plan and your Certificate of Insurance doesn't show an exclusion for that medical condition.

Medical History Disregarded

We will cover your pre-existing medical conditions, subject to the **benefits**, terms and conditions of your **plan**.

7 Clinical policy bulletins

For information on how we classify certain **treatments** and services, visit [aetna.com/health-care-professionals/clinicalpolicy-bulletins.html](https://www.aetna.com/health-care-professionals/clinicalpolicy-bulletins.html). Our clinical policy bulletins (CPBs) are based on objective and credible sources, including scientific literature, guidelines, consensus statements and expert opinions. They're not a description of cover or confirmation that we cover these **treatments**, services or costs under your **plan**. If there's a discrepancy between a CPB and your **plan**, your **plan** terms will apply.

8 Help us prevent fraud

Fraud is a crime and health care fraud increases **premiums** for **our** customers. With your help, we'll do **our** utmost to detect and eliminate it.

Health care fraud includes:

- giving false or misleading information to get insurance or a **premium** reduction,
- claiming for **treatments** or services that **you** haven't received,
- altering or amending invoices or bills,
- giving a false diagnosis,
- claiming from more than one insurer for the same **treatment** or service, or
- using somebody else's insurance to get **treatment** or services.

How you can help protect yourself and keep premiums down

There are simple steps **you** can take to protect yourself from health care fraud, including:

- comparing invoices with your records, checking dates are correct and that **you** received the **treatments** or services shown,
- asking questions if there's anything **you're** unsure about, don't understand, expect or recognise,
- keeping in touch with **us** when **you've** made a **claim**,
- letting **us** know if **you're** concerned your doctor is giving you unsuitable **treatment**,
- filling in claim forms carefully,
- looking after your insurance details and documents and keeping copies of any correspondence,
- making sure **you** understand any documents before **you** sign them, and
- reporting suspected fraud to **us**.

We work closely with others to prevent fraud

We're committed to protecting **you** against fraud and also have statutory responsibilities to prevent **our** products from being used for financial crime. **We** work with other bodies such as international insurance bodies, international police, investigative agencies, regulatory bodies, legal agencies, and government departments to do this.

If you suspect fraud

Call **our** confidential Fraud and Investigation line immediately at +44-(0)1252-896-383 or email IGUKfraudgovernance@aetna.com.

While you're with us

9 Adding and removing dependants

Your **plan sponsor** must contact **us** to add each person who a **main member** wishes to include on their **plan** as a **dependant** (and who **we** agree meets the 'dependant' eligibility criteria described in this Handbook). **We** won't be able to add them until **we** receive all relevant documents and information about them that **we** request.

Cover will start on the future date **we** agree with your **plan sponsor**. If on the date the **plan sponsor** contacts **us** to add a proposed **member** as a **dependant**, they're less than 31 days old and **we** have covered one of their parents for a continuous period of at least 12 months, **we'll** add them as a **dependant** to your **plan** with effect from their date of birth, regardless of their health. The **plan sponsor** and/or the **main member** will not need to complete an application form, and it is the **plan sponsor's** responsibility to disclose to **us** any material circumstance that would influence **our** judgement as to whether to add the proposed **member**.

The terms of the **main member's plan** will apply to the added **dependant**. Once **we've** accepted a proposed **dependant**, **we'll** send the **main member** the new **Member ID card** and an updated **Certificate of Insurance**.

10 Removing a member

A **main member** should contact their **plan sponsor** in advance to request the removal of a **dependant** from your **plan**, **we'll** remove the **dependant** on the future date the **plan sponsor** requests, and **we'll** send the **main member** a revised **Certificate of Insurance**.

The **plan sponsor** can remove **members** from your **plan** at any time.

We can remove **you** from your **plan** and notify your **plan sponsor** if:

- **you** no longer meet the eligibility criteria set out in the eligibility section of this Handbook; or
- **you** make a false or fraudulent **claim**.

If the **plan sponsor**, or **we**, remove a **main member** from the **plan**, **we** will also remove all of their **dependants**. The **plan sponsor** will let **you** know if they, or **we**, are planning to remove **you** and what your **end date** will be.

The **plan sponsor** is responsible for ensuring that the removed **member** deletes or destroys his or her **Certificates of Insurance** and **Member ID cards** on or by that **member's end date**. If a **member** the **plan sponsor** has removed obtains **treatment** after that **member's end date** that **we've** paid for, **we** have the right to recover the full amount of the **claim** from the **plan sponsor** or that **member**.

11 Plan cancellation

Your **plan sponsor** will let **you** know if they are planning to cancel your **plan** and what your **end date** will be.

You won't be able to make a **claim** for any costs incurred after the **end date**.

The **plan sponsor** is responsible for ensuring that all **members** delete or destroy his or her **Certificates of Insurance** and **Member ID cards** on or by that **member's end date**. If a **member** obtains **treatment** after that **member's end date** that **we've** paid for, **we** have the right to recover the full amount of the **claim** from the **plan sponsor** or that **member**.

12 Plan renewal

This **plan** is an annual contract. If your **plan sponsor** renews your **plan** **we'll** send the **main member** the new **plan documents** and **Member ID card** which will apply from the **plan renewal date**.

If a **main member's** child is no longer eligible as a **dependant** at the **plan renewal date**, that child can apply for their own Aetna individual **plan**. As long as there is no break in their cover with **us**, **we** may continue the terms of their previous **plan**.

13 Claims

Should **you** have any questions concerning your **claim**, please contact **our** Member Services Team:

By telephone toll free on 3017-4294 or by landline on +852-3017-4294.

By fax on +852-2866-2555.

Or by e-mail at AsiaPacServices@aetna.com.

We may record calls for monitoring and training purposes.

If **you** don't know the correct dialling code to use, **you** can refer to www.business.att.com/bt/access.jsp to find the number for the country **you're** dialling from. When prompted during the call, please enter the access code 855-491-9160 and follow the instructions.

If **you're** calling from a country not included in the above link, then **you** can call collect or direct on +852-3017-4294. To call collect **you** must contact the telephone operator in the country **you're** calling from and ask to make a collect call to +852-3017-4294. The operator should then connect **you** to **our** international helpline at no charge to **you**.

What can you claim for?

Only qualified **medical practitioners**, **specialists**, **nurses** or **therapists** with the aim of curing or substantially relieving your **medical condition** must treat **you**. Only psychiatrists or qualified and registered psychotherapists or psychoanalysts may give **you** psychiatric **treatment**, and only a **medical practitioner** or **specialist** can refer **you** for physiotherapy, podiatry, osteopathic and chiropractic **treatment**.

If the medical practitioners, specialists, nurses or therapists refer you for further diagnostic tests and procedures or treatment, you must start treatment within 90 days of the referral date for us to be able to pay your costs.

You must tell us about a claim within 180 days of receiving the treatment or services. If you leave it longer, we may not be able to reimburse you.

We'll only pay reasonable costs for claims. Reasonable costs are the average cost of treatment, expertise or services given by similar types of medical provider within the same country or geographical region, based on our knowledge and experience.

We'll pay for hospital accommodation (including meals) up to the cost of a standard single room with a private bathroom.

If you incur costs above the limits shown in your Benefits Schedule or you use a visiting doctor whose costs are higher than those of a medical facility's in-house doctor instead, you'll have to pay the difference.

What you need to know when claiming

You must show your Member ID card to the medical provider when you go for preauthorised inpatient treatment or daycare treatment (please see the section called 'Requesting preauthorisation' below for more details). If you're entitled to direct settlement, you must show this card when getting outpatient treatment at a direct settlement facility.

You'll need to quote your plan number and Member ID in all correspondence with us relating to your claim.

Keep copies of the information about your claim for your own records. We won't be able to return any original claim documents to you after we've paid the claim.

We may ask you for more information to help us process your claim, and we may ask a specialist or medical practitioner of our choice to examine you.

We may also request further tests or evaluations if we decide that a medical condition may be directly or indirectly related to a medical condition we do not cover you for. We may decline your claim if we don't have sufficient information to assess it. You must tell us about any negotiations or settlement discussions you enter into with any other party about any action or omission which leads to a claim under your plan. You mustn't agree to a settlement with any party without our prior written agreement.

Requesting preauthorisation

Before you make a claim, please read your Benefits Schedule to make sure your plan covers the treatment you need.

You need to request preauthorisation before you receive any treatment or services, or incur any costs, if you want us to meet such costs in accordance with your plan for any of the following:

- medical evacuation,
- inpatient treatment or daycare treatment admission,
- preparation or transportation of body or mortal remains,
- psychiatric treatment,
- prescription for more than three months' supply of drugs for the management of a chronic medical condition, or
- single treatment or service that costs more than 500 USD or its equivalent in another currency.

If it's not possible to request preauthorisation in an emergency, you must notify us of the treatment or services within 24 hours. If you fail to notify us, we may pay only a portion of an eligible claim.

We'll liaise with your medical provider during your claim. If necessary we'll provide you with a 'Release of medical information' form. You'll need to fill in this form to authorise your medical practitioner or specialist to release information to us about you under the relevant data protection legislation.

If you have an eligible claim, we'll issue a letter of guarantee of payment to your medical provider. We'll let you know as soon as possible if you have an ineligible claim.

When calling to request preauthorisation, make sure you have your Member ID card to hand, your medical practitioner or specialist's name and the medical provider's name and telephone number.

If we give you preauthorisation, we'll settle all eligible claims directly with your medical provider. If we are unable to settle your eligible claims directly, we will reimburse you instead.

Inpatient, daycare and outpatient direct settlement

If you're admitted to a hospital which is in our medical provider network or you receive daycare treatment, we'll take care of your eligible claims for such hospital bills. You don't have to worry about paying large bills upfront. All you have to do is pay the relevant excess or coinsurance. If your plan benefits from outpatient direct settlement (which can be referred to as direct billing), we'll pay your eligible outpatient bills directly to any medical provider which is in our medical provider network so that you're not out of pocket. If the relevant medical provider is not in our medical provider network, we'll reimburse you for any eligible claims instead.

How to make a direct settlement claim on an outpatient basis

You must:

1. Check that we cover your treatment under your plan; if you're not sure, please contact us.
2. Visit a medical provider within our medical provider network for outpatient treatment.
3. Show your Member ID card to the relevant medical provider. The provider should then treat you and liaise with us to settle your claim (subject to point 4).

4. Pay any **excess** or **coinsurance** shown on your **Member ID card**, in your **Benefits Schedule** or on your **Certificate of Insurance**.

How to make a claim for outpatient treatment

You must:

1. See your **medical practitioner, therapist or specialist** in the usual way.
2. Ask your medical provider to complete the relevant section of the claim form which **you** can download from [aetnainternational.com](https://www.aetnainternational.com).
3. Pay your bill for the **treatment you** receive. Make sure **you** get an original itemised invoice and/or original receipt.
4. Complete one claim form for each **medical condition**. Send your claim form to **us** at AsiaPacServices@aetna.com along with scanned copies of any documents.
5. Or **you** can submit a **claim** online by completing the form and uploading scanned copies of any documents to the 'Claims Centre' in the **Health Hub**.

You should send **us** these documents as soon as possible (and in any event no later than 180 days) after the first **treatment** date.

Ineligible claims

If **you** attend a **direct settlement hospital**, clinic or other medical facility in our **medical provider network** and **we** later determine that your **claim** is ineligible, **we** have the right to recover the full **claim** amount from **you**. If **we** pay a **claim**, it isn't an indication of **our** acceptance of liability for the **claim** or confirmation that **we'll** pay further costs for the same **medical condition** or **related medical condition**.

If **we** determine that a **claim we've** already approved is ineligible, **we** won't pay for the **claim**. If **we've** already paid any costs, **you'll** need to repay them to **us** within 14 days or **we** may withdraw any associated **preauthorisation**, cancel your **plan** and keep the **premium**.

If **you'd** like **us** to reassess a **claim we've** rejected, **you'll** have to prove that the **claim** is covered under the **plan**.

Exchange rate

If, acting reasonably, **we** determine that any central bank or relevant government or governmental authority imposes an artificial exchange rate (including without limitation an exchange rate which is inconsistent with the free market exchange rate) in relation to a relevant currency for any reason, **we** may in **our** sole discretion reimburse **you** for your valid **claims** incurred in that country in any manner **we** may reasonably decide. In making such determination **we** shall seek to ensure that **we** indemnify **you** for your loss (subject to the terms and conditions of your **plan**) but do not unjustly enrich **you**, as may have been the case had **we** applied such artificial exchange rate to pay **you** in the **plan** currency. **We** will reimburse **you** in (i) the applicable local currency, or (ii) if **you** do not have a bank account in such local currency, in the **plan** currency in an amount equal to the applicable reasonable and customary charges. In either case, the reimbursement will be subject to the principle of indemnity **we** mention above.

Other insurance

If another insurer covers an eligible **claim** under your **plan**, **we'll** deduct any payments **you've** received from the other insurer (plus any **excess** or **coinsurance** amounts under your other insurance plan).

Claims against third parties

If **we** have paid money to **you** (or to a medical provider on your behalf) in accordance with your **plan**, and **you** are entitled to receive money from any other party (including another insurer) for the same **claim**, **we** have the right to proceed against such other party in your name and to recover from **you** the money **you** receive (or have received) from such other party, up to and including the amount that **we** have paid.

You must notify **us** immediately in writing if **you** pursue or intend to pursue another party for such **claim**. **We** shall then decide whether or not to exercise **our** right under this section. **You** must cooperate with **us** if **we** exercise this right.

Unless **you** have prior written consent, **you** must not admit liability or fault to, or agree to a settlement with, such other party.

14 Exclusions

Your **plan** doesn't cover **claims** for, arising from or connected to the exclusions in this section unless shown otherwise in your **Benefits Schedule** or **we've** agreed separately in writing, and **we'll** seek to recover from **you** any payments **we've** made if **we** determine an exclusion applies to a **claim we've** already paid.
