H.	Medical evacuation & repatriation benefit	
1	<p>Medical evacuation when an insured person is placed on a critical list or in our opinion, adequate treatment is not available locally or if adequately screened blood is unavailable in the event of an emergency. If a medical evacuation is eligible, we will evacuate the insured person to the nearest appropriate medical centre (which may or may not be located in the insured person's home country) or we will, where appropriate, endeavour to locate and transport screened blood and sterile transfusion equipment. The medical evacuation will be carried out in the most economical way having regard to the medical condition.</p>	
2	<p>Accommodation after a medical evacuation if you are unable to travel after discharge – If medical necessity prevents the insured member from undertaking the evacuation or transportation following discharge from an in-patient episode of care, we will cover the reasonable cost of hotel accommodation up to a maximum of 7 days, comprising of a private room with en-suite facilities. We do not cover costs for hotel suites, 4 or 5 star hotel accommodation. Hotel accommodation for an accompanying person is not covered.</p>	
3	<p>Economy class return airfare to country of residence – Following completion of treatment, we will cover the cost of the return trip, at economy rates, for the evacuated insured person to return to his/her principal country of residence. The return journey must be made within one month after the eligible treatment has been completed.</p>	
4	<p>Where an insured person has been evacuated to the nearest appropriate medical centre for ongoing treatment, we will agree to cover the reasonable cost of hotel accommodation comprising of a private room with en-suite facilities. The cost of such accommodation must be more economical than successive transportation costs to/from the nearest appropriate medical centre and the principal country of residence.</p>	Covered in full
5	<p>Economy travelling expenses of a companion – We will cover the economy class travel, accommodation and economy class return airfare expenses for pre-authorised costs of a close business companion or the insured person's dependants having to accompany the insured person for an emergency medical evacuation, this benefit will only apply when the insured person is evacuated when placed on a critical list.</p>	
6	<p>Repatriation of mortal remains – the transportation costs of the deceased's mortal remains from the principal country of residence to the country of burial. Covered expenses include, but are not limited to, expenses for embalming, a container legally appropriate for transportation, shipping costs and the necessary government authorisations. Cremation costs will only be covered in the event that this is required for legal purposes. Costs incurred by any accompanying persons are not covered. All covered expenses in connection with the repatriation of mortal remains must be pre-authorised by us.</p>	Covered in full

I. Compassionate emergency visit benefit						
1	Costs incurred by an insured person for an economy class return airfare from the principle country of residence to visit a close family member, up to the age of 70 years, in the event of a medical condition that results in that close family member being placed on a critical list, or his/her death.
